Thank you!
We will deliver this postcard to your legislator.

Dear Legislator,

I am a constituent, a voter, and a person of faith who deeply believes in the importance of preserving civil marriage rights for same-sex couples. I believe that we are all created equally and that we must treat everyone with compassion, dignity, and respect, regardless of religious or cultural differences.

I am writing to ask you to vote against any amendment that would put this important human right up for a popular vote. As we know from our history as Americans, the rights of minorities should never be decided at the ballot box.

A vote against this new discriminatory amendment is not only a vote for civil rights, it is also a vote for religious freedom. No one has been or will be forced to marry a couple they do not wish to marry. Those who have been performing gay and lesbian religious weddings for years may now serve all of the members of their faith communities equally. Everyone's religious freedom is preserved.

Sincerely,
